Historical Fiction romance tragedy novella historical. Historical - Author's You Love! In Romance, the relationship between one man and one woman holds center stage, and that's always good for a laugh. So while Christina was working as a draftsman, she would read during the lunch hour, go back to work to design a sawmill, and plot the conclusion of the story in her mind. The book never ended like that, and she liked her endings better.

Love's New Beginning: An American Historical Romance ... My first six book series, the American Wilderness Series Romances, and my new Wilderness Hearts Series are both realistic and idealistic. They acknowledge the harsh realities of the frontier wilderness while including the ideals of boundless hope, strong family, and forever love.
